SAMPLE IMAGE:

STEP: 4

After entering your OC/IC Username and password, a six digit secret code will be sent to your Aadhar linked phone number. After enter the six digit secret code to verify the OTP. Upon successful verification, the dashboard for authorized users will be displayed.

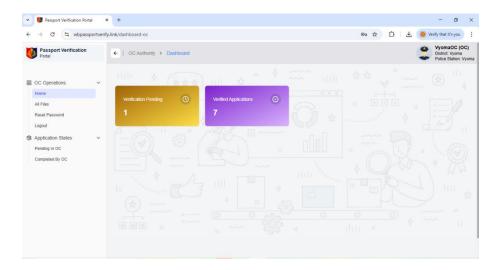

STEP: 5

Dashboard For OC/IC:

After successfully logging into OC/IC web portal, the OC/IC will be directed to their dashboard, where they will see two summary cards displaying the status of applications.

The two cards displayed on the dashboard are:

- ➤ Verification Pending;
- Verified Application

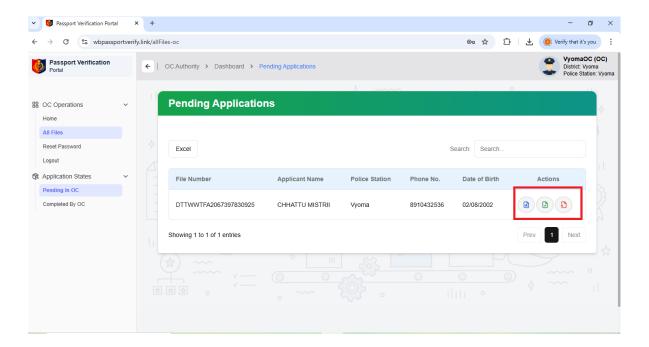

STEP: 6

1. Verification Pending (OC/IC):

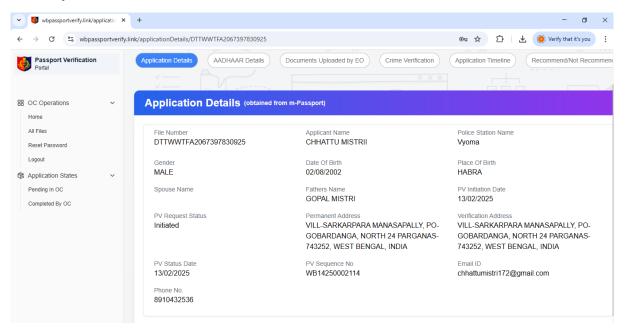

The total number of applications is shows "Verification pending" card that are awaiting verification by the OC/IC. Clicking on the Verification Pending card below page will appear, OC/IC see 3 button:

- i. View Application
- ii. Recommend Application
- iii. Not Recommend Application

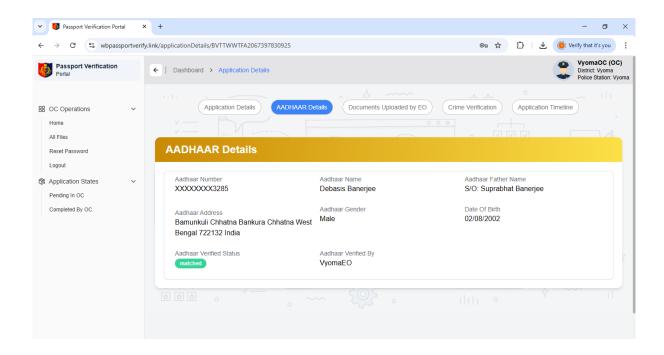

i. View Application: This option allows you to view detailed information about the application, which is obtained from the m-passport system.

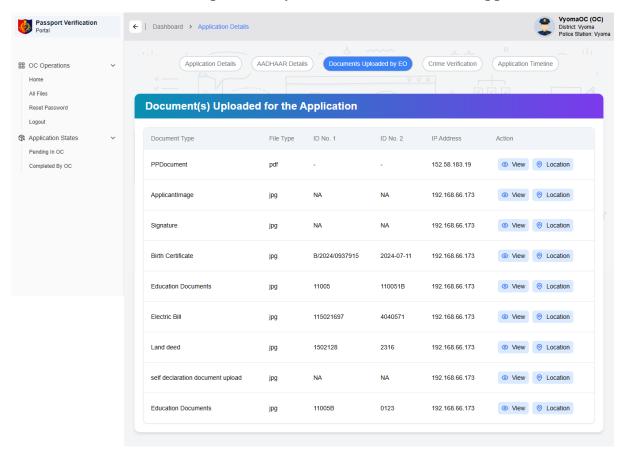

View: 1 [Application Details]: This section allows you to view detailed information about the applicant, which is retrieved from the m-Passport system

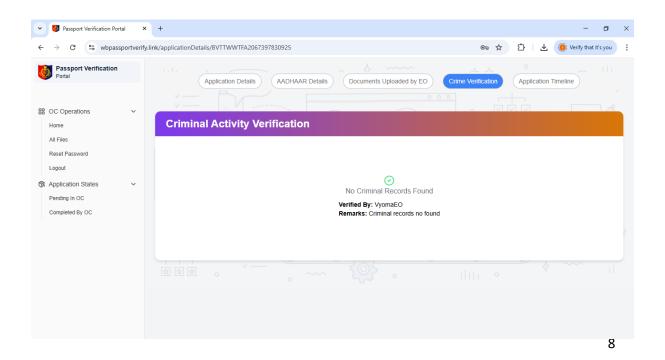

View: 2 [Aadhar Details]: This section allows you to view the status and details of the applicant's Aadhar information.

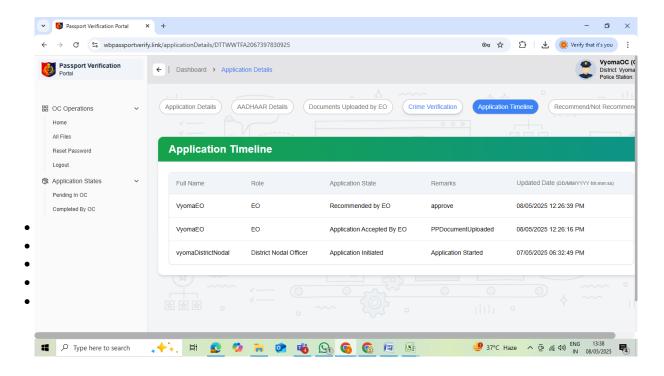

View: 3 [Documents Uploaded by EO]: This section allows you to view the list of documents uploaded by the EO on behalf of the applicant.

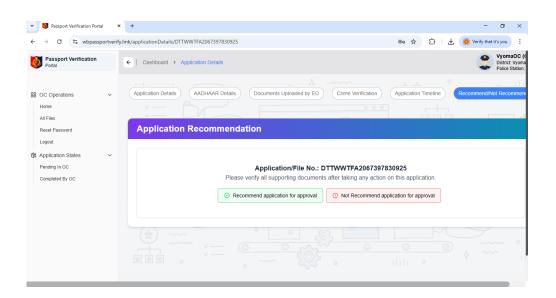

View: 4 [Crime Verification]: This section allows you to view the Criminal Verification status of the applicant.

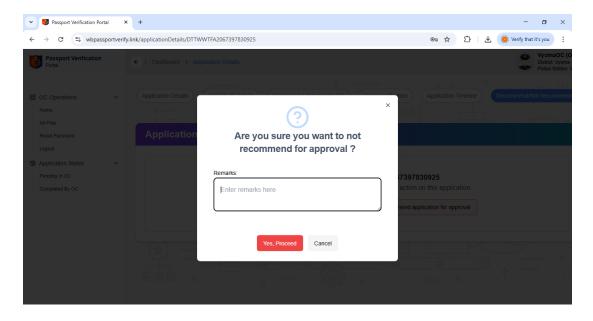

View: 5 [Application Timeline]: This section allows you to view the complete timeline of the application, including key actions such as when the District Nodal Officer uploaded the excel sheet and when the EO, OC, SP approved or rejected the application.

View: 6 [Recommend/Not Recommended]: In this section, you can mark an applicant's file as Recommended and Not Recommended.

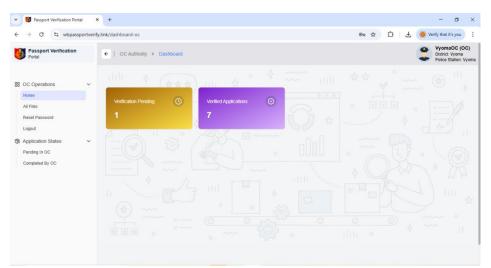

If the application is not recommended, you must provide appropriate remarks stating the reason for rejection.

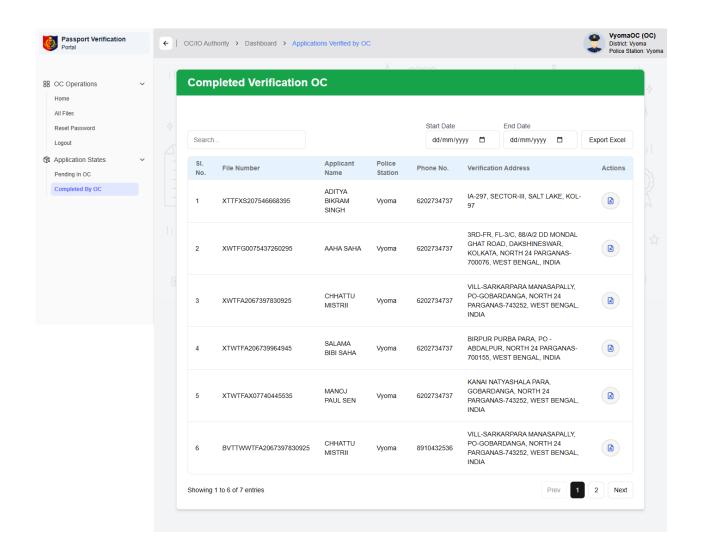

STEP: 7

2. Verification Application (OC/IC):

This card displays the number of applications that have already been verified and completed.

After OC/IC completed verification below given:

STEP: 8

Password Reset:

In the district Nodal Officer portal, a "Password reset" option is also available. This feature allows the OC/IC to reset the password for your user login.

To reset a password, simply click on the "Password Reset" button. Enter your then type Old Password then type new Password and re-enter it in the Confirm New Password field. Finally click on the "Reset Password" button. Your new Password will be updated successfully, following the system guidelines.
